## Praise for Progressive Claims Service.

"Extreme winds turned my boat upside down, and sent it two-and-a-half miles down the lake. It was totally destroyed. But my replacement coverage allowed me to get a brand new boat without any trouble. They did an outstanding job. I am very pleased."

"When our boat was stolen and later recovered, it had been gutted – electronics, steering and motor were gone. From the moment I made the claim, Progressive took over. They made the process so easy. Best of all, we got a brand new boat right away."
